

Covid has changed everything

If you want a fairer, caring, and greener Warwickshire vote Liberal Democrats at the next county election for a **new future for Warwickshire**.

Fairer Fairer opportunities for all We will provide for a more focused approach to mental health, alzheimer's and autism. Building stronger communities by listening to residents and investing in our neighbourhoods. Protect our heritage Investing in arts and culture with a new county-wide fund. **Tackle food poverty** Support foodbanks and invest in food suppliers, local farmers. (1) FOOD BANK

Strengthen rural communities

Support rural communities with community hubs co-locate services around medical centres, post offices and pubs, and invest in superfast broadband and rural transport.

Improve access to services and job opportunities

1

Caring

Create a network of one-stop shops with IT access and help points and support disadvantaged groups access services and employment opportunities.

Caring for the population

Support carers and care staff, a new deal is needed. Increase funding especially for family support workers.

Tackling mental health and loneliness

Support those with mental health problems, particularly depression and anxiety.

Tackle loneliness by drawing on the wealth of knowledge and community activity that came about due to Covid.

Putting local people in charge

Local people to lead service delivery; and removing barriers and obstacles that hinder service efficiency.

Create more compassionate communities by working to establish autistic and dementia-friendly communities.

Addressing child poverty and safety

A new Child Poverty Strategy and restore funding for youth work.

Reduce Warwickshire's poor record of children having accidents and attending hospital.

Greener

Make Warwickshire zero carbon by 2030

Boost investment in high-skilled green jobs and work with colleges and universities to make Warwickshire the leading centre for the green economy.

Invest in improving our recycling rates.

Improve biodiversity

Plant thousands more trees and protect our biodiversity.

Reinvigorate our forestry services extra support for education by using the Eco School standard.

Create people focused sustainable transport

Devise truly active travel.

Implement a seamless ticketing and make it easier to use all forms of transport.

A New future for Warwickshire
